

The Mallorca Edit

A refined editorial series on destination weddings, slow luxury and meaningful celebrations in Mallorca — created by Magdalena Dybiec.

WHO IS MAGDALENA

Magdalena Dybiec is the founder of Dybiec Wedding, wedding planner, celebrant and personal guide for international couples creating boutique luxury **three-day wedding experiences in Mallorca**. She works with a limited number of carefully selected couples, shaping every celebration as **Your Mallorca Wedding Story**: welcome day, ceremony and celebration, farewell day.

WHAT IS THE MALLORCA EDIT

The Mallorca Edit is Magdalena's editorial video and insight series exploring destination weddings in Mallorca through beauty, culture, emotion and expert guidance. It goes beyond venues and logistics to show how a wedding can become a complete guest experience — intimate, intentional and deeply memorable.

WHY NOW

The topic is highly relevant now because high-value couples from the **UK, USA, Australia and Scandinavia** increasingly seek more than a beautiful wedding day. They want privacy, atmosphere, emotional flow and time with their guests. Mallorca answers this desire with Mediterranean elegance, exceptional hospitality and a natural rhythm for slow luxury celebrations.

MEDIA ANGLES

Magdalena is available for expert commentary on three-day destination weddings in Mallorca, slow luxury, symbolic ceremonies, guest experience design, international planning considerations and Mallorca's evolution as a refined wedding destination.
